

Fast turn prototyping services

We are able to offer:

- PCB DESIGN
 - In 24 hours to 5 working days (and nights if necessary)

- BARE BOARDS
 - Double Sided PTH in 24 hours.
 - Multilayer (to 8 layers) in 48 hours.
 - Multilayer (8+) in 72 hours.

- ASSEMBLY (with free issue kits)
 - In 24 hours.

- BOX BUILD (with free issue kits)
 - Quotation to assembly drawings.

- TURNKEY PROTOTYPE SERVICE
 - We offer these services 'a la carte' or as a complete turnkey.
 - For example, depending on board complexity, we can convert a schematic and BOM into an assembled boarding as little as 3 days. (Layout 24 hours, PCB 24 hours, Assembly 24 hours)
 - Or a maximum of 9 days for the most complex board
